Forecast For Wales
Issued by Met Office Exeter
at 1600 on Wednesday 28 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Clear spells overnight. Further showers on Thursday.

This Evening and Tonight:
Daytime rain and showers gradually easing for a while this evening. Clear spells for most tonight with some isolated showers returning, particularly near highland or coastal areas. Cooler compared to recent nights. Minimum temperature 8 deg C (46 deg F).

Thursday:
A largely dry start with some showers developing later in the day. Heavy rainfall possible towards the south of the country by late evening. Increasingly windy, particularly around the coast. Maximum temperature 20 deg C (68 deg F).

Outlook for Friday to Sunday:
Early rain clearing to sunshine and showers on Friday. Sunny breaks over the weekend with some showers, lighter than recent days. Temperatures around average with mainly light winds.
